RESOLUTIONS OF RESPECT

**On The Death of Mrs. Nina Wheeler
Passed by Ladies' Aid
Society.**

Mrs. Nina Wheeler, the devoted wife and loving mother and true friend, has answered the call that, sooner or later, must come to each of us. It is with unnumberable sadness that we speak of our departed sister in our society, who has been called from a service of love in which her labors are so much needed.

Since childhood, Nina has always stood for the gospel of Christ, a beacon light in our midst, a tower of strength to our society. She assisted the President in every way that she could, never finding a task too difficult.

Another beautiful life is gone; her pleasant, bright and cheerful disposition was a benediction to all who came in contact with her.

Her faithful service to the Aid, the church and all its institutions makes her death seem almost an irreparable loss. Rich was her nature in all the finer and purer characteristics that constitute noble womanhood. Her excellence was to be observed in her home, where she glorified Motherhood by her tender devotion to her little son. When his father died she at once assumed the place of both father and mother. She ruled by love. Love was her scepter.

RESOLVED, That in the death of Mrs. Nina Wheeler the Ladies' Aid Society has lost one of its best and most untiring members; that the church and Sunday school, the poor of the town, and of their trust friends.

RESOLVED, That each member of the Aid, through prayer and words of encouragement, do all in her power to wield an influence of right over James, her son.

RESOLVED, That a copy of these resolutions be sent to the nearest husband and son, and a copy be published in the Record Press.
